DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 39 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 39 and 51 recite the limitation "that portion" in line 15 and 24 of claim 39, and lines 14 and 23 of claim 51. There is insufficient antecedent basis for this limitation in the claim, and it is unclear what said phrase is meant to refer to.

Claims 40-45 and 52-54 are rejected as being dependant upon the rejected subject matter of claims 39 and 51

3. Claim 41 recites the limitation "said height" in line 6. There is insufficient antecedent basis for this limitation in the claim as it is unclear if this height is meant to indicate the maximum height or another variable height. Claim 51 is similarly rejected as reciting "said height" in line 34.

Allowable Subject Matter

4. Claims 39-45 and 51-54 would be allowable if rewritten or amended to overcome the rejections under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
